Celebrating the REAL meaning of Christmas

St Thomas's

www.stthomassalisbury.co.uk

Registered Charity (1133882)

Welcome to St Thomas's Christmas Tree Festival

Christmas is a time of hope, joy and wonder, as we celebrate the birth of Jesus Christ, the light of the world.

Our Christmas Tree Festival is a wonderful opportunity to bring our community together, sharing creativity, friendship and the joy of the season.

As you enjoy the beautiful trees, may you also discover something of the love and peace that Christmas brings. Whatever this season holds for you, may the light of Christ bring hope to your heart and blessing to your home.

With every blessing for a joyful Christmas and a peaceful New Year.

Canon Jo Haine
Rector of St Thomas's

Please refrain from touching the trees unless invited.

Refreshments

The Festival Café will be open for coffee, tea and cake between 10 am and 4 pm on Tuesday, Wednesday, Thursday, Friday and Saturday.

On Sunday 6th December it will be open from 2 – 4 pm.

A minister is available during the Festival if you would like to talk.

Where do you come from?

There are three maps beside the organ. Please place a sticker on a map to show where you have come from today.

Your Donations

If you wish you may give a donation when you leave the Church. This year our donations will be divided between three charities. If possible, please gift aid your donation.

There are many support mechanisms in place for families when they have a poorly or terminally ill child, but once a child passes, the majority of this support stops. Charlie's Star offers a safe 'bubble' where families can ease some of the mental emotions without causing any financial stress; somewhere they can come and spend invaluable time together. Each 7-day break provided by Charlie's Star for a bereaved family costs £2,000. This includes all travel, accommodation, food and local excursions and allows us to create hope and smiles for families who have faced the most heart-breaking tragedy of their lives.

Every two hours someone has a spinal injury in the UK. They are 56% more likely to experience mental health issues and have a fourfold increased risk of suicide. Spinal injury can be life-changing for family and friends too, causing shock, grief, and anxiety. Horatio's Garden South West is located in The Duke of Cornwall Spinal Treatment Centre in Salisbury District Hospital and receives patients from across the whole of the south of England, a catchment area of 11 million people. Being in the garden improves mental and physical health. The Garden creates a place for reflection and adjustment, joy and companionship to all who need it.

St Thomas's Church

St Thomas's is as old as the city of Salisbury. It has remained a place of Christian worship throughout this time, and we are still privileged to serve the city in all its diversity. We are most grateful for donations to help with the upkeep of this beautiful building and for future maintenance.
